01

WHO WE ARE.

We build conviction inside the local church.

*Apologetics Nigeria exists to build apologetics capacity **where believers already serve** — so that every partner church becomes a place where hard questions are welcomed, faith is grounded, and the gospel is shared with conviction.*

We don't pull believers out of their churches. We come alongside the church, equip its people, and leave it stronger from the inside.

FOUNDER

Oluwanifemi Adeniran

Founder & Lead Apologist

Meet the founder

Oluwanifemi Adeniran founded Apologetics Nigeria out of a simple conviction: the church here deserves to be equipped — not merely encouraged, but genuinely prepared to answer the hardest questions of its generation.

For several years he served in apologetics ministry with churches across Ireland and the United Kingdom, teaching young believers to think clearly, hold their faith with conviction, and give an honest, gracious defense of the gospel. That work has now come home to Nigeria.

He brings together the two disciplines this ministry depends on — serious theological study and the craft of clear, compelling communication. He is currently pursuing graduate study in theology, working toward a doctorate in apologetics, and continues to teach, film, and engage these questions publicly.

His conviction is plain: the answer to a generation's doubts is not less Christianity, but a deeper, better-understood faith — carried by a church that knows what it believes, and why.

02 THE NEED.

Why apologetics, and why now.

*Nigeria has no shortage of Christianity. It has a shortage of **grounding**.*

39%

The share of Nigeria's population projected to be Christian by 2050 — down from roughly 43–46% today, as the Muslim share rises toward 58%.

SOURCE — PEW RESEARCH CENTER

80–90%

Of pastors and church leaders across Africa have little or no formal biblical or theological training. Where training is scarce, false teaching meets little resistance.

SOURCE — WORLD EVANGELICAL ALLIANCE · LANGHAM PARTNERSHIP

Rising

Irreligion among young Nigerians — sharpest among men under 30 — driven not by science, but by disillusionment with a faith many were never truly taught.

SOURCE — WORLD VALUES SURVEY, 2025

*A faith inherited but not understood does not survive the questions of a **new generation**.*

03

HOW WE WORK.

Small, faithful, and built to last.

Five commitments shape every partnership we take on.

01

WE SERVE, NOT COMPETE

We equip a church's own people and leave the capability inside the church — never gathering a following of our own.

02

MULTIPLY THROUGH LEADERS

Wherever possible we equip existing leaders to carry apologetics forward themselves, so a small team can strengthen many congregations.

03

A CLEAR FOUNDATIONS TRACK

Twelve weeks moving from the existence of God, through the person and work of Jesus, to engaging Islam and atheism and starting real conversations.

04

REACH A GENERATION ONLINE

Films, a podcast, courses, and social content — so the teaching reaches those who live online, not only those in the room.

05

GROWN ON PROVEN FRUIT

A few committed partner churches first, real fruit documented, then expansion only on a foundation that has proven solid.

04 WHAT WE DO.

Training, curriculum, resources, media.

Four ways the work reaches people: in the room, in the local church, on the page, and online.

01 · TRAINING

LIVE TRAINING FOR CHURCHES

Training, workshops and conversations for the believers and leaders of a church or ministry — hosted by the church, taught by us, and built for the questions its people are actually being asked.

INVITE US

02 · CURRICULUM

A 12-WEEK FOUNDATIONS TRACK

A clear, structured course — from the existence of God to engaging Islam and atheism and starting real conversations — contextualised for the questions Nigerians are actually asking. Yours when you partner.

03 · RESOURCES

A FREE LIBRARY, ONLINE

04 · MEDIA

FILMS, PODCAST AND SOCIAL

Films, a podcast, courses and social content, so the teaching reaches those who live online — not only those in the room.

@APOLOGETICSNIGERIA

Defending the Faith — our first public training

A free three-day introduction to apologetics, live online on 16–18 October 2026, 7–10PM WAT. Over two hundred people registered in a matter of weeks, from Lagos and Abuja to London and Houston. Every session is recorded, and replays, notes and slides go to everyone registered.

05

WHAT WE BELIEVE.

Our statement of faith.

Apologetics Nigeria is a non-denominational Christian ministry. We hold to the historic Christian faith — summarised in these affirmations, and the ground on which we teach and partner with churches.

01 THE SCRIPTURES

The Bible is the inspired and authoritative Word of God — our final rule for faith and life.

02 ONE GOD

There is one God, eternally existing in three persons: the Father, the Son, and the Holy Spirit.

03 JESUS CHRIST

Jesus is fully God and fully man — born of a virgin, sinless in life, crucified for our sins, and raised bodily from the dead.

04 HUMANITY

Every person is made in God's image yet fallen in sin, and cannot save themselves by their own effort.

05 SALVATION

Salvation is a gift of God's grace, received through faith in Jesus Christ alone — not earned by works.

06 THE HOLY SPIRIT

The Holy Spirit indwells, transforms, and empowers every believer to live and to witness for Christ.

07 THE CHURCH

The church is the body of Christ, called to worship God, grow in truth, and make disciples of all nations.

08 THE GREAT COMMISSION

Every believer is called to share and defend the gospel — with clarity, courage, and love.

09 THE HOPE TO COME

Jesus Christ will return in glory to judge the living and the dead, and to make all things new.

06

PARTNER & GIVE.

Three ways to stand with the work.

01 INVITE — OPEN THE DOOR

Host training, a workshop, or a conversation for the believers and leaders in your church or ministry. Write to hello@apologeticsnigeria.com and we will plan it around you.

02 PRAY — STAND IN THE GAP

Pray for grounded believers, a defended faith, and a generation that can give a reason for its hope.

03 GIVE — FUEL THE WORK

Support with a one-off gift, a monthly partnership, or by sponsoring a specific training, film, or resource.

GIVE & SPONSOR

HELP EQUIP A GENERATION TO STAND.

Recurring monthly partnership is the most valuable kind of support — it gives the work stability — while sponsorships let us take on larger projects. As our registration with the Corporate Affairs Commission (CAC) is completed, a dedicated ministry account will follow.

What your support pays for

- **Teaching that stays free.** Every session, recording and set of notes is given away without charge, so that no believer is priced out of being able to answer for their faith.
- **Production.** Films, decks, notes and the resource library — researched, sourced and designed rather than thrown together.
- **Reach.** Getting the teaching in front of the people asking the questions, online and in churches.

We are building a team of people who can actually do the work — designers, editors, writers, social media people — and who want their craft to count for something longer than a campaign.

Where we need you

- **Visual designer** — social graphics, flyers, decks and campaign assets inside an established brand system. Portfolio required.
- **Video editor** — teaching sessions cut into shorts and full episodes, subtitles and thumbnails. Showreel required.
- **Content & social media manager** — the posting schedule across Instagram, TikTok and YouTube, captions, comments and DMs.
- **Content writer** — scripts, articles, teaching notes and research summaries. Everything we publish is sourced.
- **Notes & resources** — turning sessions into the one-page summaries and slide packs we send out afterwards.

Let us be straight with you

UNPAID

We are not in a position to pay yet. We will not pretend otherwise, and we will not waste your time.

REMOTE

Everything runs online. Where you live does not matter — several of our people are outside Nigeria.

EXPERTS, NOT ENTHUSIASM

Send your portfolio, showreel or writing samples. We will actually look at them.

You get the credit — your name on the work, the pieces for your portfolio, and a reference whenever you need one. Apply at apologeticsnigeria.com/vol.

“Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect.”
